Government Code Section 66006 require districts to be accountable for the fees that are collected and expended on an annual basis. The annual report focuses on the amount of developer fees collected and expended throughout the fiscal year.

The annual report must be made public within 180 days from the last day of the fiscal year (June 30th) and then reviewed at the next regularly scheduled public board meeting not less than 15 days afterward. In this case, the report was posted on the district website on November 28, 2022.

FINANCIAL IMPACT: The ending fund balance of \$3,288,290 will be carried over to the 2022-23 Capital Facilities Budget.

FUNDING SOURCE: Fund 250 Capital Facilities Fund

RECOMMENDATION:

It is recommended that the Board of Trustees review and accept the report as required by Government Code Section 66006 and 66001(e).
