ARTICLE VI

Grievance/Complaint Procedures

- 6.1 Purpose: The purpose of the grievance/complaint procedure is to secure, at the lowest possible administrative or supervisory level, proper and equitable solutions to grievance/complaint, and to guarantee orderly succession of procedures within which solutions may be pursued. All District personnel are encouraged to follow these procedures to settle their grievances/complaints; school personnel are encouraged to ask their immediate supervisor or the Association for assistance on any matters that relate to their duties. The intent of this procedure is to settle grievances/complaints, whenever possible, within the district staff. However, participants shall not be limited to district employees if there is a desire or need for advice or assistance from representatives of the Association. Within this general frame-work, the following specific purposes are to be served by the grievance/complaint procedures:
- 6.1.1 To ensure that a grievance/complaint is considered fairly, with all due speed and without prejudice or reprisal to the aggrieved employee.
 - 6.1.2 To encourage certificated employee expression regarding conditions that affect him/her professionally.
 - 6.1.3 To provide a specific procedure which will facilitate the understanding of district policies which affect certificated employees.
 - 6.1.4 To build confidence in the sincerity and integrity of the procedure as a means to establish the facts upon which a grievance/complaint is based and come to fair conclusions.

6.2 Definition of Terms:

- 6.2.1 Grievance - A grievance is an alleged violation, misinterpretation or misapplication of the terms of this contract.
- 6.2.2 Complaint - A complaint is an alleged violation, misinterpretation, or misapplication of established policy and/or administrative regulation. (Complaints shall not be subject to arbitration. The final resolution shall be Level IV.)
- 6.2.3 Conferee – An Association member.
- 6.2.4 Certificated Employee - Any employee within the bargaining unit. The term "certificated employee" may include a group of employees within the bargaining unit who are similarly affected by a grievance/complaint.
- 6.2.5 Aggrieved Employee - An employee or employees, including the Association or representative(s) thereof, making the claim(s).
- 6.2.6 Days - The term "days" shall, except when otherwise indicated, mean days when school is in regular session.

6.3 Level One - Informal Conference With The Immediate Supervisor

- 6.3.1 When a certificated employee feels that s/he has a grievance/complaint, s/he should discuss the matter with his/her immediate supervisor or refer it to the Association in an effort to solve the problem informally. The aggrieved employee or the Association and the immediate supervisor should make every effort to resolve the difficulty within fifteen (15) days from the initial statement of the grievance/complaint. Each party should state his/her position clearly and the

background reasons for the grievance/complaint should be explored. At least one personal conference between the employee or the Association and the immediate supervisor should occur. Additional conferences should be held prior to Level Two if it appears that resolution of the grievance/complaint may be achieved by informal means.

6.3.2 If, after the informal conference between the immediate supervisor and the employee or the Association, the employee initiating the grievance/complaint is not satisfied with the disposition of the matter, or if the employee feels his/her relationship with the immediate supervisor or the nature of the grievance/complaint is such that s/he cannot reasonably discuss the matter with him/her, s/he shall have the right to have a conferee serve as his/her advocate.

6.3.3 If the aggrieved finds it necessary, s/he may proceed directly to Level Two of the grievance/complaint procedure.

6.4 Level Two - Formal Conference With Immediate Supervisor

6.4.1 If an aggrieved employee or the Association is not satisfied with the disposition of the grievance/complaint through informal procedures and chooses to proceed, s/he will submit his/her claim as a formal grievance/complaint in writing to the immediate supervisor. This written formal grievance/complaint must be filed (actually received by the District) within forty-five (45) days of the date the aggrieved employee(s) knew or should reasonably have known of the facts and circumstances giving rise to the grievance. Level One, if used by the aggrieved employee(s), must also be filed within this forty-five (45) day period. The following information will be included in the formal grievance/complaint:

- 6.4.1.1 A description of the general and specific grounds of the grievance/complaint.
- 6.4.1.2 Areas of the contract alleged to be violated.
- 6.4.1.3 A listing of specific actions which the aggrieved employee believes would best remedy his/her grievance/complaint.

6.4.2 The immediate supervisor receiving the grievance/complaint shall schedule a personal conference with the aggrieved employee or the Association and any conferees within five (5) days, in order to resolve the grievance/complaint. When either party wishes to bring in a conferee, notification of the identity of the conferee shall be given at least twenty-four (24) hours in advance of the time the formal conference is to be held.

6.4.3 The immediate supervisor receiving the grievance/complaint shall communicate the decision to the aggrieved employee in writing five (5) days after the conference.

6.5 Level Three - Appeal To The Superintendent

6.5.1 An aggrieved employee or the Association may appeal the decision at Level Two. The appeal to the Superintendent must be filed within five (5) days after receiving the Level Two decision. A copy of the appeal shall be sent to the persons who rendered previous decisions.

6.5.2 The appeal shall be in writing and shall include a copy of the grievance/complaint form previously submitted.

6.5.3 The Superintendent has within fifteen (15) days of receiving the appeal to schedule a meeting. After that meeting, s/he shall render a written decision or refer the appeal directly to the Board of Trustees.

6.6 Level Four - Appeal To The Board Of Trustees

6.6.1 The aggrieved employee may appeal to the Board of Trustees within five (5) days from the receipt of the decision of the Superintendent. Documents related to the appeal shall be submitted to the Board of Trustees at least five (5) days prior to the next regularly-scheduled Board meeting. At that regularly-scheduled Board meeting the employee shall have the opportunity to speak to the Board of Trustees in a closed session regarding the appeal. The Board of Trustees will render a decision by the next regularly-scheduled Board meeting, if possible, utilizing other special meetings as necessary. The President of the Board of Trustees shall communicate, in writing, the decision and rationale of the Board of Trustees within five (5) days following that regularly-scheduled Board meeting to the grievant and the Association.

6.6.2 The decision of the Board of Trustees regarding complaints shall be final.

6.6.3 The basic right of either party to pursue a grievance/complaint through the courts shall not be denied or abridged by this grievance/complaint procedure after the process has been exhausted.

6.7 Arbitration

- 6.7.1 If the aggrieved is not satisfied with the decision at Level Four, s/he may notify the Association of his/her wish to have the Association carry the grievance to binding arbitration. The Association shall notify the Superintendent within fifteen (15) days of its decision to carry the grievance to arbitration. The aggrieved and/or the Association and the Board shall attempt to agree upon an arbitrator. If no agreement can be reached, within five (5) days, the Association shall request from the State Mediation and Conciliation Service (SMCS) a panel of five names of persons from the Northern Region experienced in hearing grievances in public schools. Each party shall alternately strike a name until only one name remains. The remaining panel member shall be the binding arbitrator. The order of the striking shall be determined by lot.
- 6.7.2 The fees and expenses of the arbitrator and the hearing shall be borne equally by the District and the aggrieved. All other expenses shall be borne by the party incurring them.
- 6.7.3 The arbitrator shall, as soon as possible, hear evidence and render a decision on the grievance submitted.
- 6.7.4 The arbitrator will have no power to add to, subtract from, or modify the terms of this agreement or the written policies, rules, regulations and procedures of the District. The arbitration hearing shall be conducted according to the rules as established by the arbitrator.
- 6.7.5 The decision of the arbitrator will be submitted to the Superintendent and the Association and will be final and binding upon the parties of this agreement.

6.8 General Provisions

- 6.8.1 Both parties involved in a grievance/complaint may, beginning at Level Two of the procedure, request a conferee. The aggrieved shall have the right to be represented by the Association without fear of reprisal of any kind being taken against such employee. The Association shall have the right to continue processing of the grievance/complaint on behalf of the certificated employee. No party may be required to discuss any grievance/complaint after Level One if his/her conferee is not present.
- 6.8.2 Any employee may serve as a conferee, defined in 6.2.3, without fear or prejudice or reprisal of any kind being taken against such employee.
- 6.8.3 If a grievance/complaint arises from an action or inaction on the part of a member of the administration at a level above the principal or immediate supervisor, the aggrieved employee or the Association shall submit such a grievance/complaint in writing to that member of the administration directly and the processing of the grievance/complaint shall commence at Level Three.
- 6.8.4 A certificated employee who is required by the District to absent himself/herself from his/her duties to participate in scheduled conferences or hearings shall not suffer any loss of pay. The party requiring the conference to occur at any time necessitating a substitute shall pay for such costs. All parties shall make every effort to schedule conferences prior to or after the instructional day. Conferences will not be scheduled during prep time or duty-free lunch without mutual agreement.

- 6.8.5 A certificated employee(s) may initiate a grievance/complaint that has district-wide implications. This initiation should take place at the Superintendent level with the employee(s) providing written notice to both the Superintendent and the Association President. A group of certificated employees shall have the right to be represented by the Association.
- 6.8.6 After consultation with the Association concerning appropriate forms, the District Office shall prepare and distribute forms for filing complaints, serving notices, making appeals, making reports and recommendations and other necessary documents.
- 6.8.7 All proceedings at any level shall be kept as private and confidential as possible.
- 6.8.8 A decision rendered at any step in these procedures becomes final unless appealed within the time limit specified. If a decision is not given within the time limit, an appeal may be taken directly to the next level. Time lines may be extended by mutual consent of both parties.
- 6.8.9 A written record of all proceedings shall be kept beginning with Level Two. The parties involved shall decide how proceedings shall be recorded and by whom. The written record shall be approved by both parties before becoming part of the official record.
- 6.8.10 All documents, communications, and records dealing with the processing of a grievance/complaint shall be filed separately from the personnel files of the participants and shall be considered confidential.

- 6.8.11 The parties involved shall be responsible for the maintenance of adequate records, make arrangements for hearings, and provide other services needed to implement the grievance/complaint procedure.
- 6.8.12 The copy of the disposition of the grievance/complaint shall remain in the files of the appropriate parties for a period of no less than seven years. After the seven year period has elapsed, all material relating to the grievance/complaint will be destroyed.
- 6.8.13 Each party to the grievance/complaint agrees to make available to the other all pertinent information, not privileged under law in its possession or control, and which is relevant to the issues raised by the grievance/complaint.
- 6.8.14 All sessions held in connection with the processing of grievances/complaints by the Board of Trustees shall be in closed sessions and no news releases shall be made concerning the progress of the hearings. All closed sessions shall comply with the Brown Act.
- 6.8.15 A grievance/complaint may be withdrawn at any level and, once withdrawn, cannot be presented again by the same party.
- 6.8.16 Referral and appeal of the grievance/complaint in the formal channels must be in writing and contain:
- 6.8.16.1 A brief account of the problem.
 - 6.8.16.2 Supportive evidence, if any.
 - 6.8.16.3 Request for action by a specific channel and level.
 - 6.8.16.4 The signature of the grievant/complainant.

6.8.16.5 Submitted in triplicate to the particular level, and the level will submit a copy of the grievance/complaint to the person charged with the grievance/complaint.

6.9 The Association shall have the right to determine when the grievance shall go forward or be stopped beginning at the level of arbitration.

Leaves

8.1 Religious Leaves

8.1.1 Employees who wish to observe religious holidays of their faith, not provided for in the District's calendar, may do so on an option basis.

8.1.2 Option One (1): The employee may request a substitute or replacement for his/her absence prior to the day of the religious holiday which s/he plans to observe. In this case, payroll computations will be made on a "substitute pay differential," but the individual will not lose compensation.

8.1.3 Option Two (2): The employee may request absence from duties (not to exceed three [3] days) and make up this time and receive full pay during the period of absence. In this case, the individual will make plans with the District administrators to work on a given task or project. Hours will be set by the District Office on the same basis as a regular teaching day.

8.1.4 Option Three (3): The employee may use personal necessity days for recognized religious holiday observance.

8.2 Temporary Absence from Duty

8.2.1 Sick Leave Benefits - Every certificated employee of the District shall be entitled to leave of absence for illness or injury, with full pay, at the rate of one day for each month or major fraction thereof, and not to exceed ten (10) days for each school year. Each employee will receive an annual accounting of his/her accrued sick leave. Upon signing an absence report (D-4 form) the employee will be

given a copy. At the beginning of each contractual year, the employee shall be credited with the amount of sick leave accruable for the ensuing contract year. An employee must reimburse the District (deductions shall be made from the salary warrant) for the use of unearned sick leave if s/he serves fewer months of employment than the contract stipulates. Any sick leave not used shall be accumulated from year to year.

- 8.2.2 Transfer of Accumulated Sick Leave of Teachers Coming Directly from Another California School District. The Evergreen School District shall, with teacher authorization, request in writing from the prior California public school district of employment the amount of accumulated sick leave and request that it be transferred to the Evergreen School District. The District shall provide a form for this purpose in the payroll packet.
- 8.2.3 Prolonged Illness or Injury - If a certificated employee is unable to carry on his/her duties for a prolonged period of ill health, or a period of recovery after a severe accident, the employee shall notify the District of the difficulty with a statement from a licensed physician relative to the nature of the illness or injury. 8.3.2 The certificated employee may continue to work as long as her health will permit as certified by her doctor or may request unpaid leave immediately upon becoming pregnant.

8.3.3 The certificated employee shall return to duty after convalescence from childbirth. The convalescence period shall be determined by the certificated employee's physician. She shall resume her duties on a regular basis at the same position held prior to the childbirth.

ARTICLE XV

Wages, Health, and Welfare

15.1 2013-2014 Salary Increase: Salary schedules (and related rates and stipends as currently provided by this Agreement and past practice) shall be increased by 3% effective with the February 2014 pay warrant.

15.2 Health and Welfare Benefits

Beginning February, 2014, District and employee contributions toward health and welfare benefits (medical and dental insurance) shall be as set forth below in this article.

15.2.1 The District and each unit member shall share equally the increased premium costs of health and welfare benefits (medical and dental) for themselves and their families as compared to the 2012-2013 premium costs for the following carriers and coverage: MetLife Dental Insurance (Prepaid), Group #KM05753753; Delta Dental [with Adult Orthodontia (\$2000) and Child Orthodontia (\$2000)], Group #2573; Blue Shield PPO (Medical - \$1000/\$2000 with 100% hospitalization), Policy #931128-PPO Group Benefits; and Kaiser (Medical), Group S1, Group Policy #992.

15.2.1.1 Effective with the February 2014 pay warrant, unit members shall contribute prospectively, through automatic payroll deduction, this fifty percent (50%) share (specifically, for approximately one-half of the 2013-2014 school year).

15.2.1.2 The foregoing “50/50” cost sharing shall continue through the 2015-2016 school year (i.e., comparing 2014-2015 to 2013-2014, and 2015-2016 to 2014-2015). The increased employee contribution for each year, beginning with 2013-2014, shall be cumulative. If the monthly premium cost for benefits

decreases compared to the prior year, the unit member's payroll deduction amount will be reduced or eliminated to reflect that reduction.

15.2.1.3 As of the expiration of this Agreement in 2015-2016, the ratio of the District's and employee's share beginning prospectively in 2016-2017 shall be adjusted by the percentage savings/reductions in premium rates over the term of the Agreement through the HBC opinions and findings according to the Sideletter and negotiations process already agreed to. The parties agree to promote wellness programs in their effort to reduce and contain premium costs. The amount of employee and District contributions previously arrived at under the 50/50 ratio method will remain in effect.

15.2.1.4 By way of example only, if during the term of this Agreement premium rates are reduced 15% below what they would have been absent plan design or carrier changes, the adjusted ratio for District/unit member premium rate increases effective 2016-2017 would be 65%/35% respectively. The specific calculation for adjustment of this ratio shall be according to section 15.2.1.6. The adjusted ratio of the District's and employee's share beginning in 2016-2017 (plus the amount of employee and District contributions previously arrived at under the 50/50 ratio method) shall be the status quo unless and until negotiated otherwise by the parties.

15.2.1.5 The parties agree that the foregoing calculations shall be based on an agreed upon method for calculating the cost of benefits per participating Full Time Equivalent (FTE) annually, beginning February 2014. This shall include a method that takes the following into account:

- 15.2.1.5.1 The population of each plan and number of participating FTE as of the close of the open enrollment period on May 31 each year.
- 15.2.1.5.2 Calculation of a single, average health cost per FTE, based on premium costs for, and population of unit members in all medical and dental plans. This average health cost per FTE shall be used to determine a uniform payroll deduction amount as well as the overall premium savings from year to year.
- 15.2.1.6 An example of the foregoing calculations implementing the foregoing “50/50” cost sharing plan, including an adjustment to this ratio beginning in 2016-2017, is attached as Appendix C and incorporated into this Agreement. The parties agree that Appendix C expresses their mutual intent as to the meaning and intended implementation of this Article. Any inconsistencies that might arise between Appendix C and the language in this Article shall be resolved in favor of Appendix C.
- 15.2.1.7 The District may convert current health and welfare benefit plans to “tiered rates.” The parties agree, however, that these rates shall be converted to composite rates, by health plan, for bargaining unit members. These rates shall be used in calculating the average health cost per FTE provided in section 15.1.2.5.2 above.
- 15.2.1.8 The District will provide the Health Benefit Committee (HBC) (and ETA upon request) all records and data utilized to make the calculations in this Article.

15.2.1.9 If the District receives a rebate in health and welfare costs, the subject of allocation of these funds shall be referred to the HBC for opinions and findings according to the Sideletter and negotiations process already agreed to.

15.2.1.10 Any disagreements regarding application of sections 15.2 through and including 15.2.1.7, and section 15.2.4.2, shall be subject to Article VI (Grievance/Complaint Procedures), *provided that* the Arbitration step (section 6.7) is hereby modified to provide for a three person panel comprised of one appointee each by the District and Association, and a neutral selected by these two appointees. The two appointees shall utilize the State Mediation and Conciliation Service (SMCS) selection procedure in Article VI if they can not agree on a neutral.

15.2.2 The District contribution per unit member per month to the Evergreen Teachers Association Health and Welfare Trust shall be effective September 1 of each school year provided below:

<u>School Year</u>	<u>Contribution/Member/Month</u>
2012-2013	\$108.50
2013-2014	\$118.50
2014-2015	\$128.50

The 2014-2015 contribution amount set forth above shall remain in effect until and unless negotiated otherwise by the parties.

15.2.2.1 Evergreen Teachers Association Health and Welfare Trust

The payment of the negotiated contributions shall be made to the authorized agent for the Health and Welfare Trust. The Evergreen Teachers Association

Health and Welfare Trust, on behalf of its participants who are retired employees of the District and who are eligible for Trust benefits, shall be allowed to secure health coverage for its participants through the current District Plans. The Trust will meet the following conditions:

- 1) Maintain the tax exempt qualification from the IRS and the California Franchise Tax Board;
- 2) Prepare and file all necessary documents in a timely fashion;
- 3) The Trust will send copies to the District of any and all documents filed with any public agency upon request from the District;
- 4) The Trust will comply with all applicable state and federal laws and regulations and file all legally required reports and other documents with the responsible state and federal agencies, as are now or may hereafter be required;
- 5) Upon request from the District, the Trust shall send copies of any and all filings required by federal or state law to the District, and the Trust's counsel will confirm to the District in writing that the foregoing conditions continue to be complied with. It is expressly agreed and understood that the Association will indemnify and hold the District harmless from and against any and all liability of whatever kind of character arising from or out of the creation or administration of the trust described herein, so long as the District makes the

contributions called for herein to the Trust on a monthly basis and in a timely fashion. It is recognized that the District shall have no trustees on the Trust and shall not be involved in administering the Trust. Therefore, the Association will indemnify and hold the District harmless from and against any liability arising from a breach of any fiduciary duty committed by or charged against any fiduciary of the Trust and/or any liability arising as a result of a violation of any state or federal law, regulation or ruling by the Trust, or any fiduciary or administrator of the Trust. While it is not contemplated that there will be any type of benefits funded by this trust that would be monitored by the Pension Benefit Guarantee Corporation, or that could create any "unfunded liability," as that term has been defined for purposes of federal and state law, the Association will indemnify and hold the District harmless from and against any liability that exists or comes into being as a result of unfunded liability or noncompliance with any rules or regulations promulgated by the Pension Benefit Guarantee Corporation. In the event that the District is named a party in any disputes arising in connection with the interpretation, administration, or enforcement of the terms of the Trust, or in connection with the enforcement or administration of any state or federal law or regulation relating to the Trust, the Association agrees to indemnify the District

for all costs incurred in connection with the District's representation in such a dispute, including reasonable attorney's fees. The District agrees that the attorney that represents the Association and/or Trust and trustees in such a dispute shall also represent the District, unless an actual conflict of interest is demonstrated. If the District desires to obtain its own counsel in disputes where no actual conflict of interest with the Association and/or Trust is demonstrated, the District shall be responsible for its own reasonable attorney's fees. It is further expressly recognized and agreed by and between the parties hereto that this trust is being solely established by the Association, and the trustees so appointed will be solely liable for the Trust's administration and debts, and that the District is not a fiduciary of the trust, or of any participant or beneficiary of the Trust. The District's sole obligation to the Association, to the Trust and to its participants and beneficiaries shall be to make the contributions called for herein.

15.2.3 Temporary employees after one (1) full year of teaching in the District will receive reimbursement for premiums they paid through July and August if re-employed during the subsequent year.

15.2.4 Early Retirement Incentive Plan

Bargaining unit members who were initially hired prior to July 1, 2010, have completed fifteen (15) years of service in the Evergreen School District, and are between the ages of fifty-five (55) and sixty-five (65) shall be granted 100% health premium to age 65. Bargaining unit members who were initially hired on or after July 1, 2010, have completed fifteen (15) years of service in the Evergreen School District, and are between the ages of fifty-five (55) and sixty-five (65) shall be granted 100% health premium for a maximum of sixty (60) months.

15.2.4.1 Qualified bargaining unit members who retire may select a District paid health plan covering the retiree and spouse during the September open period before retirement in June of that school year from those plans available to District bargaining unit members. If an eligible retiree dies before age sixty-five (65) the surviving spouse will continue to receive District paid health benefits dependent on initial hire date:

<u>Initial Hire Date</u>	<u>Continued Health Benefits</u>
Prior to July 1, 2010	Until the deceased employee would have reached age sixty-five (65).
On or after July 1, 2010	Until the deceased employee would have reached the maximum of sixty (60) months or age sixty-five (65), whichever comes first.

15.2.4.2 The District’s premium contributions for eligible retirees who retire after the 2013-2014 school year shall not exceed the District’s contributions for current employees, provided, however, that premium contributions shall be on a tiered rate structure. The District contribution for these retirees shall be adjusted to equal the

contribution for active employees as that amount changes in the future. NOTE: This means eligible employees who retire on or before June 30, 2014 will be granted 100% health premium until age 65 as specifically set forth in section 15.2.4 above. Eligible unit members who retire on or after July 1, 2014, shall fall under cost-sharing/employee contribution requirements applicable to current employees now and in the future. Retiree benefits will be calculated on a tiered rate structure based on retiree premium rates.

15.2.4.3 A District/Association Committee will review all available insurance coverages. Bargaining unit members between ages fifty-five (55) and sixty-five (65) who retire from the District and who have completed more than ten (10) years and fewer than fifteen (15) years of service in the District may continue participation in a health plan available to District bargaining unit members by paying the full cost of the premium, if allowed by the insurance carriers.

15.2.5 The District agrees to negotiate Golden Handshake Legislation upon request.

- 15.6 The rate of pay for coaches in major sports at the junior high schools shall be \$1,094.00 ('11-'12) and \$1,127.00 (effective February 1, 2014) , increased annually by an amount equal to the negotiated percentage change to the certificated salary schedule, per major sport. The following agreement was reached, subject to approval by the Governing Board of Trustees of Evergreen School District and ratification by the Evergreen Teachers Association.

Upon ratification of this agreement, The Evergreen Teachers Association agrees to rescind the Level III Grievance relating to Class Size Reduction provided the following provisions are met by the Evergreen School District.

The following shall be in effect only for the duration of Class Size Reduction, Option II, kindergarten (excluding #4 & #5):

1. Assurance of 2.5 hours per day classroom instructional assistant for each participating kindergarten teacher, effective as soon as possible.

4. Prior to future implementation/changes of Class Size Reduction, for any grade level, the administration agrees to negotiate with Evergreen Teachers Association.
5. In the event Option II, Class Size Reduction, for kindergarten is eliminated in the Evergreen School District, the District policy shall go back to 90 minutes per day overlap for kindergarten teachers. See attached policies: 611R.1 and 611R.2.
